

Allegro Bus Tag

2015 MODEL YEAR

POWERGLIDE SERIES MOTORHOME

KEY POINTS

- Built on POWERGLIDE CHASSIS by Tiffin
- Huck Bolts - Huck bolts excessive, must torch them off if repairs are needed. Torching may damage under body components
- Minimal Durability Testing - Powerglide uses Huck bolts because minimal durability testing has been conducted.
- Not ISO 9001 Compliant
- Four height control valves - Testing has shown, three height control valves gives better roll stability and control
- Primarily service-Freightliner, Cummins Engine and RV Dealerships
