5-STAR FEATURES

SERVICE

The RV industry's most comprehensive service and support coverage with **450+ Freightliner service locations, 90+ Oasis RV Specialist locations and 24/7 Factory-Direct support for the life of the coach.**

24/7 factory-direct service — talk directly with factory service advisors who average 18 years of experience.

Nationwide parts distribution centers (PDC Centers) provide expedited parts delivery through centralized Freightliner parts database.

- 24/7 Direct® free mobile app for one click, on-the-go support is available on Apple and Android — search "Freightliner 24/7"
- Call or email FCCC technicians 24/7, locate servicing dealers, and provide feedback on service experience
- Allows maintenance logs to be stored in the cloud and shared across devices
- Provides access to service checklist, owner and maintenance manuals, dash light descriptions, FAQs and more

DRIVETECH

DriveTech rolls together FCCC's latest innovations — like the OptiView all-digital LCD dash display, RoadWatch state-of-the-art safety systems, and FCCC's all-new ergonomic steering wheel and column-mounted controls — into one comfortable, easy-to-use drive console.

5-STAR FEATURES

OPTIVIEW™

Influenced by Mercedes-Benz®, OptiView™ is the first LCD instrument cluster in the RV industry, featuring:

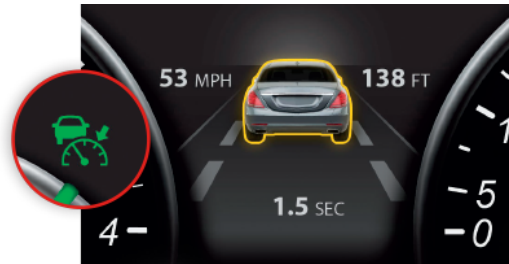

- **Improved interface and steering wheel controls** with anti-glare display, bright graphics, colors, and menus
- **Bluetooth® connectivity** capability

ROADWATCH

RoadWatch is the ultimate RV Safety System, assisting the driver with control of the coach in all road conditions and maneuvers. Reference your spec sheet to find which of the following features are included on your coach.

- Collision Mitigation (forward warning and active braking)
- Adaptive Cruise Control (ACC)
- Electronic Stability Control (ESC) with Roll Stability Control (RSC)
- Automatic Traction Control (ATC)
- Mobileye Sensor Detection

Some Roadwatch features may be optional. See your sales associate for more information.

5-STAR FEATURES

V-Series pairs the V-Ride — the industry-leading, purpose built RV rear suspension that set a new bar for ride quality and weight ratings — with the all-new VFS front suspension. The only suspension system purpose-built for Class A RVs, this innovative matched set creates a tuned and balanced driving system designed to give coaches a new level of performance.

- **Delivers ride quality comparable to Independent Front Suspension**
- **Provides anti-dive braking**
- **Eliminates bump steer**
- **Controls roll stability**

EXPERIENCE OF OWNERSHIP

FREIGHTLINER CHASSIS OWNERS CLUB (FCOC):

- **10,000+ Members**
- **Parts and labor discounts** at select Freightliner service locations
- **Nationwide rallies and events** offer excursions to great destinations
- FCOC's comprehensive communications keep owners informed — Quarterly *RV Soul* magazine published 4x per year
- Members can **purchase Dodge, Chrysler or Jeep at 1% below dealer cost**

OWNER TRAINING

- **30+ Camp Freightliner I classes** at FCCC factory or on-site at rallies every year — comprehensive 2-day training with one-on-one coaching
- Camp Freightliner II classes at FCCC factory — **pairs owners with a service technician** in the service bay to observe service techniques and ask questions about their chassis
- Fireside Chat seminars — abbreviated training offered at all major rallies and shows
